

BIG DOG SERIES

Our Big Dog Series offers a collection of closures designed to provide maximum protection for your equipment. The Plastic Housing Closure with Vault protects your FTTx Optic Node, Splice Enclosure and other devices. The Aluminum Housing Closure with Vault can accommodate even the largest Optic Nodes on the market today with fiber splice enclosures. The durable Plastic Covered Closure Vault has spacious room to house your below grade equipment. The largest of our Big Dog Series, the Plus provides ample room to house your FTTx equipment, with room to spare.

FEATURES & BENEFITS

- The Big Dog Series' strength and durability have been lab tested to provide long lasting protection for your equipment
- The Big Dog Vault is made from a durable UV weather resistance plastic
- The LifeSaver™ roof is a staple across our lineup of

cabinets, it has outperformed the competition by up to 20°F in the hottest of temperatures

- The Big Dog can be equipped with numerous locking options to fit your preference
- Each model of the Big Dog closure is available in our standard Utility Green and Beige colors
