

## FRM-8RU-24X-TS-HD

### Product Description

The Multilink FRM-8RU-24X-TS-HD is a 8 Rack Unit (8RU), 24 termination panel, 19" and 23" rack mount fiber distribution unit designed to support patching and splicing, up to 576 fibers. The unit has slide out master panels with an integrated tray stop to prevent overextension of fiber cables. The unit also has a two-piece top and swell latch door to allow for easy access to the adapter panels. The FRM-8RU-24X-TS-HD is one of a family of units that support fiber terminations in rack mount applications.
