

## FRM-1RU-3X-TS-S

### Product Description

The Multilink FRM-1RU-3X-TS-S is a 1 Rack Unit (1RU), 3 termination panel, 19" and 23" rack mount fiber distribution unit designed to support patching and splicing, up to 36 fibers. The unit has a slide out master panel with an integrated tray stop to prevent overextension of fiber cables. The unit also has a two-piece top and swell latch door to allow for easy access to the adapter panels. The FRM-1RU-3X-TS-S is one of a family of units that support fiber terminations in rack mount applications. **This product must be installed in accordance with all codes applicable to the location of the installation and in accordance with the instructions for use.**
